## Automatic Transmission Fluid (ATF) Refill System

The MV6410 combines the new fluid dispenser with our popular ATF refill adapter kit to provide a complete system for servicing today's sealed automatic transmissions. The dispenser allows the operator to fill or top-off transmissions with up to 1 gallon of fluid between refills, while the pressurized operation frees the operator from continual pumping.

**The MV6410 is compatible with a wide selection of Mityvac pressure bleed adapters.**

### MODEL NO. LSLMV6410

**Dealer Price: \$234.00**

#### Features:

- Integrated manual pump dispenses fluid by pressurizing the reservoir.
- Fluid is continually dispensed as long as there is pressure in the reservoir; freeing-up the operator's hands. Pumping is only required to build additional pressure.
- The pump tube is sealed to prevent exposure to chemicals, and cleans easily between fluid changes.
- The fluid dispensing hose has a built-in valve to manually shut off and control the flow of fluid.
- Push-to-connect, quick-change style couplers are used at both ends of the fluid dispensing hose, for convenience and speed.
- Couplers have an integrated valve that automatically shuts off the flow of fluid when disconnected.
- Pressure gauge displays critical dispensing pressure.
- Thumb-operated tilt valve is conveniently located for manual pressure relief, and doubles as a safety valve to prevent over pressurization.

## Automatic Transmission Fluid (ATF) Refill System

... Continued from pg 1

### Includes:

- Fluid reservoir - 1.2-gallon (5-liter)
- Reservoir lid with integrated manual pump, pressure gauge, and pressure relief valve
- 5' Fluid dispensing hose with flow control and auto-shutoff valves
- Fluid dispensing wand
- Hanging hook
- User's manual (English, French, Spanish, German)
- LSLMVA580 - Ford ATF Refill Adapter
- LSLMVA581 - Toyota ATF Refill Adapter
- LSLMVA582 - Angled ATF Refill Adapter
- LSLMVA583 - VW ATF Refill Adapter, Short
- LSLMVA584 - VW ATF Refill Adapter, Long
- LSLMVA585 - VW ATF Refill Adapter
- LSLMVA586 - VW/Audi ATF Refill Adapter
- LSLMVA587 - Audi ATF Refill Adapter
- LSLMVA588 - Mercedes ATF Refill Adapter
- LSLMVA589 - Volvo ATF Refill Adapter

### Specifications:

Weight .....5.8 lbs.  
Reservoir .....1.2 gal (5-liter)

**Warranty:** One (1) year

## **mityvac** ATF Refill Adapter Applications

Model No.	Description	Thread	Applications
LSLMVA580	Ford ATF Refill Adapter	1/8" NPT	Ford
LSLMVA581	Toyota ATF Refill Adapter	NA	Toyota
LSLMVA582	Angled ATF Refill Adapter	NA	BMW, Honda, Nissan
LSLMVA583	VW ATF Refill Adapter, Short	NA	Volkswagen
LSLMVA584	VW ATF Refill Adapter, Long	NA	Volkswagen
LSLMVA585	VW ATF Refill Adapter	10 x 1.0	Volkswagen
LSLMVA586	VW/Audi ATF Refill Adapter	24 x 1.5	VW, Audi w/DSG Transmission
