Metro Vac 'N Blo® The Complete Cleaning Solution

Makes deep cleaning the interior of any car, truck or SUV a breeze!

The Vac 'N Blo is perfect for handling dozens of jobs indoors and out. Comes with a wide range of attachments, so whether the job calls for power or precision, you'll have the right tool at hand. Two models are available: the lightweight, easy-handling compact unit, and the ultra high-capacity jumbo unit.

Features:

- 4.0 Peak HP motor leaves others in the dust.
- Rugged, all-steel construction built to last.
- Lightweight, compact and easy to handle.
- 120 Volt 12' grounded cord.
- Full range of specialized automotive attachments.
- Also great as an office vac, high-powered blower/dryer or inflator.

Made in U.S.A.

Compact Unit

MODEL NO. MVCVNB83BA
